Side 4

Side 4 contains a 4x4 grid of piggy banks. Each piggy bank has two numbers on its sides and a number below it. The numbers are: Row 1: (2,1) below 3, (1,1) below 2, (2,2) below 4, (5,1) below 6; Row 2: (5,2) below 7, (5,5) below 10, (2,2) below 4, (5,1) below 6; Row 3: (2,1) below 2, (4,1) below 4, (6,1) below 6, (6,1) below 6; Row 4: (7,1) below 7, (7,1) below 7, (7,1) below 7, (8,1) below 8; Row 5: (8,1) below 8, (9,1) below 9, (3,1) below 3, (5,1) below 5. A rabbit is at the top right, and a dog is at the bottom left. A number line at the top is labeled 0-10. A vertical number line on the right is labeled 1-10 with some numbers crossed out.

Side 5

Side 5 contains a 4x4 grid of piggy banks. Each piggy bank has two numbers on its sides and a number below it. The numbers are: Row 1: (5,5) below 4 kr., (5,2) below 6 kr., (5,2) below 6 kr., (5,1) below 9 kr.; Row 2: (5,2) below 8 kr., (2,2) below 8 kr., (1,1) below 3 kr., (1,1) below 5 kr.; Row 3: (5,5) below 5 kr., (2,2) below 5 kr., (1,1) below 8 kr., (1,1) below 9 kr.; Row 4: (1,1) below 1, (2,2) below 2, (2,1) below 2, (5,1) below 5, (2,5) below 5. A rabbit is at the top right, and a dog is at the bottom left. A number line at the top is labeled 0-10. A vertical number line on the right is labeled 1-10 with some numbers crossed out.

Side 6

Side 6 contains a 4x4 grid of piggy banks. Each piggy bank has two numbers on its sides and a number below it. The numbers are: Row 1: (1,2) below 5, (4,3) below 5, (4,1) below 7, (3,5) below 7; Row 2: (5,0) below 9, (0,7) below 9, (0,7) below 10, (2,5) below 10; Row 3: (1,4) below 9, (4,5) below 9, (8,0) below 9, (9,0) below 9; Row 4: (2,7) below 9, (7,3) below 10, (5,5) below 10, (7,8) below 10. A rabbit is at the top right, and a dog is at the bottom left. A number line at the top is labeled 0-10. A vertical number line on the right is labeled 1-10 with some numbers crossed out.

Side 7

Side 7 contains a 4x4 grid of piggy banks. Each piggy bank has two numbers on its sides and a number below it. The numbers are: Row 1: (2,1) below 10, (5,2) below 10, (2,2) below 10, (5,2,1) below 10; Row 2: (5,2,1) below 10, (5,2,2,1) below 10, (5,2,2) below 10, (5,2,2) below 10; Row 3: (3,7) below 10, (1,9) below 10, (8,2) below 10, (8,2) below 10; Row 4: (4,6) below 10, (4,6) below 10, (5,5) below 10, (5,5) below 10. A rabbit is at the top right, and a dog is at the bottom left. A number line at the top is labeled 0-10. A vertical number line on the right is labeled 1-10 with some numbers crossed out.
